

Audit Period Schedule - 2010

The CAB audit requirement is based on the type of publication and then frequency of publication. All Community Newspapers and Community Language Newspapers must audit each 6-month audit period.

Business, Professional and Specialty Media Members that publish 13 issues or more per year must audit every 6 months. Publications that publish 12 issues or less per year can audit a 12-month period – either April to March or October to September.

The following are the defined audit periods, lodgement and data release dates for 2010.
